

Wayne State Shiffman Medical Library

Outreach Council & friends *invite you to visit the*

All of Us Journey

SATURDAY, JUNE 29, 2019

11 AM - 4 PM

DETROIT PUBLIC LIBRARY

5201 WOODWARD AVE.

Visit the National Institutes of Health traveling exhibit the **All of Us Journey** to learn how the *All of Us* Research Program seeks to speed up medical breakthroughs through research. Step into the Journey's **Exploration Station** for hands-on activities to see how genetics, health, and medical research shapes our everyday lives.

Program and Q&A: 12 PM - 2 PM. **All of Us Journey Exhibit:** Onsite from 11 AM - 4 PM. Detroit Public Library, 5201 Woodward Ave.

FEATURED SPEAKER: ANGELA M. TREPANIER, MS, CGC

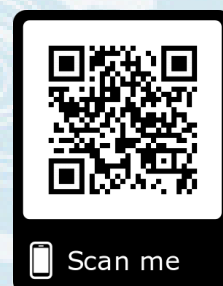

"Five ways genetic counseling may improve your family's health".

Associate Professor and Director of the Genetic Counseling Graduate Program. Wayne State University School of Medicine.
