

FOCUS GROUP PARTICIPANTS NEEDED

The Michigan Developmental Disabilities Institute (MI-DDI) is looking for individuals with developmental and intellectual disabilities to participate in a focus group.

Participants will be asked to share their opinions on the Michigan State University Extension's (MSUE) Cooking for One Participant Handbook. MSUE developed Cooking for One, a nutrition education program, to meet the needs of individuals who live alone and to make cooking for one easier.

The goal of the focus group is to gather feedback and suggestions on how to increase the accessibility of the Cooking for One Participant Handbook for people with intellectual and developmental disabilities. When a program is accessible, it ensures that all people can understand, use and benefit from the program.

The focus group is only open to individuals with **developmental and/or intellectual disabilities** and will take place:

Date: Thursday, April 4th, 2019
Time: 10:00am- 12:00pm (lunch will be provided)
Location: Jeffress Center (3rd Floor- Room 328)
39201 W. Seven Mile, Livonia, MI 48152

The focus group will last approximately two hours. All participants will **receive a \$20 gift card** for their time
