

LISTENING SESSION PARTICIPANTS NEEDED

This listening session is open to adults **18 years and older** with **intellectual or developmental disabilities (IDD)** and living with **Type 1 or Type 2 diabetes**.

The Michigan Developmental Disabilities Institute is conducting a listening session to gather information about a new diabetes video. The video helps people with IDD learn how to manage their diabetes.

We want to know what you think of the video.

The focus group will take place:

Date: Thursday, September 12, 2019
Time: 10:00am- 12:00pm (snacks will be provided)
Location: The Arc Michigan
1325 S. Washington Ave., Lansing, MI 48910

The focus group will last approximately 1.5 hours. All participants will **receive a \$20 gift card** for their time. Space is limited to 6 individuals.

For questions or to register, please contact Amal Alsamawi at amal.alsamawi@wayne.edu or (313) 577-7979. Please register by **Friday, September 6, 2019**.
