

# *Navigating Healthcare Training for Fathers of Children with Special Health Care Needs*

**May 3 & 4, 2022**

**9:30 am - 12:30 pm on both days**

Come connect with other fathers in this online medical advocacy training created to provide fathers with the information, tools, and resources needed to navigate healthcare systems. This training will have a special focus on supporting fathers in the important role they have in their child's life.

Open to any father (bio, adoptive, foster, step, kinship, etc.) with a child (birth to 18) with a disability or special health care needs in Michigan.

Free to attend, registration required at:
