

STORYTELLERS FOR CHANGE

This is what inclusion looks like in Michigan

OUR GOAL:

SHARE YOUR STORY! YOU HAVE THE POWER TO MAKE CHANGE HAPPEN!

We will gather and share stories of inclusion from self-advocates across Michigan

YOUR VOICE SPEAKS VOLUMES

The public and policymakers need to hear your voices and your stories about inclusion in education, employment, housing, and all aspects of community living.

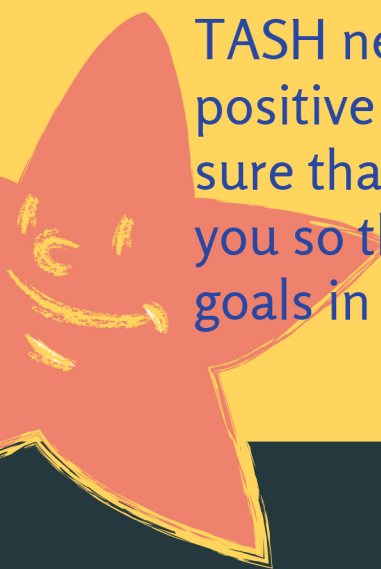

WE WILL THEN REACH OUT TO POLICYMAKERS.

We will share your stories to educate, inform and influence policymakers.

IMPROVE LIVES AND HELP PEOPLE

TASH needs your help today! Your stories can have a positive impact on millions of lives. We will make sure that policymakers and advocacy leaders listen to you so that they know what you need to fulfill your goals in life.
