

PARTICIPATE IN OUR STUDY TO

MAKE HEALTHCARE MORE ACCESSIBLE FOR PEOPLE

WITH INTELLECTUAL AND DEVELOPMENTAL DISABILITIES (IDD)

If you identify as an individual with IDD and are part of a marginalized community, we need your help!

Who We Are

We are a team of researchers at the University of Michigan who are interested in improving healthcare for individuals with intellectual and developmental disabilities (IDD).

We are asking for healthcare feedback from individuals with IDD or caregivers of individuals with IDD who identify as part of a marginalized community.

Am I Eligible?

- 18 years old or older
- Intellectual or Developmental Disability or Caregiver
- Able to participate in an interview
- Identify as part of a marginalized community such as a racial, ethnic, or sexual minority group

How do I Join?

- Sign up by emailing josli@med.umich.edu or calling 734-590-0648
- We will set up a time to interview you using a videochat app on your computer or phone
- The interview will last 60 to 90 minutes and will happen online
- We will ask you questions about your previous experiences with telemedicine and medications
- You will get \$50 as a thank you!
