Work Telephone #: _____

Work Fax #: _____

Home Address: _____

Home Telephone#: _____

Email Address: _____

Please type or legibly print your answers to these questions:

1. Explain how you have promoted the philosophy of consumer empowerment, self-determination and person-directed services.

2. Are you a (check all that apply).

- _____ Direct Support Professional
_____ Person with a disability who uses education or human services
_____ Family member whose relative uses education or human services

3. Describe your experience in speaking in front of large, diverse groups of people. If you have presented at conferences or training events indicate that information in the space provided.

4. Describe your experience in working in collaboration with a co-trainer or as a member of a team, committee or other group of people.

5. Have you ever presented material from a prepared written curriculum? If so, what kind of class/training/curriculum was it?

6. Participants ask trainers many types of questions during a training session. Describe how you would answer this question: "You are teaching us that all people should be empowered to make their own choices. I work with people who have an IQ of 30. Do you really think that you are being realistic?"

7. Describe the contributions you would make and the benefits you would receive as an Empowerment Education trainer.

8. In order for Wayne State University to coordinate employee hiring, please answer the following question:

_____ I am eligible and willing to be hired as a WSU employee

_____ I am not eligible or I am unwilling to be hired as a WSU employee

I have reviewed the Empowerment Education qualifications and responsibilities and to the best of my knowledge believe that I meet these requirements.
