Section 2: Individual Experience for Non-Residential Settings (Part A)

What is the person's Habilitation Waiver Supports Application (WSA) Identification Number identified in the cover email?

Note: If you do not know this number, ask your Pre-Paid Inpatient Health Plan (PIHP) Habilitation Waiver Coordinator or your Community Mental Health Service Provider (CMHSP) Habilitation Support Waiver to give it to you. If you need help, you can also call the Developmental Disabilities Institute at Wayne State University at (888) 978-4334.

Section 2: Individual Experience for Non-Residential Settings (Part B)

Which of the following services do you provide the individual? (Mark all that apply)

Definitions of these services:

Out-of-home non-vocational service assists with acquisition, retention, or improvement in self-help, socialization, and adaptive skills; and the supports services, including transportation to and from, incidental to the provision of that assistance that takes place in a non-residential setting, separate from the home or facility in which the beneficiary resides. Examples of incidental support include: a) Aides helping the beneficiary with his mobility, transferring, and personal hygiene functions at the various sites where habilitation is provided in the community; b) When necessary, helping the person to engage in the habilitation activities (e.g., interpreting). Services must be furnished four or more hours per day on a regularly scheduled basis for one or more days per week unless provided as an adjunct to other day activities included in the beneficiary's (beneficiary means a person who uses or receives this service) plan of service.

Pre-Vocational services involve the provision of learning and work experiences where a beneficiary can develop general, non-job-task-specific strengths and skills that contribute to employability in paid employment in integrated, community settings.

Supported employment is the combination of ongoing support services and paid employment that enables the beneficiary to work in the community. For purposes of this waiver, the definition of "supported employment" is: a) Community-based, taking place in integrated work settings where workers with disabilities work alongside people who do not have disabilities; b) For beneficiaries with severe disabilities who require ongoing intensive supports such as job coach, employment specialist, or personal assistant; b) For beneficiaries who require intermittent or diminishing amounts of supports from a job coach, employment specialist or personal assistant. Supported employment includes activities needed to sustain paid work by individuals receiving waiver services, including supervision and training, job coach, employment specialist services, personal assistance and consumer-run businesses.
