

Michigan Habilitation Supports Waiver – Compliance with CMS Home and Community Based Services (HCBS) Rule Region 6: Livingston County Community Mental Health

For more information visit: <https://ddi.wayne.edu/hcbs>

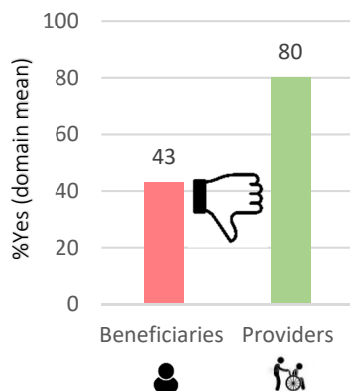

Community Integration

Individuals can fully participate in community life.

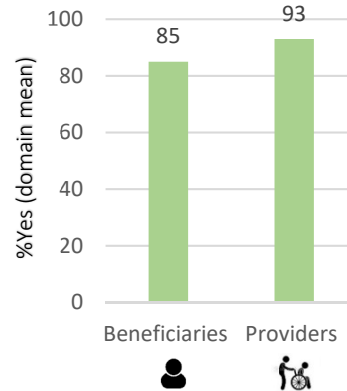

Rights

Individuals are treated with dignity and respect.

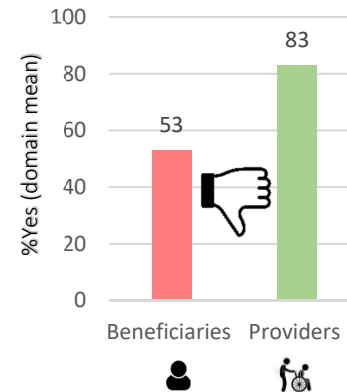

Privacy

Individuals control when and with whom they want to share their personal space, conversations, and information.

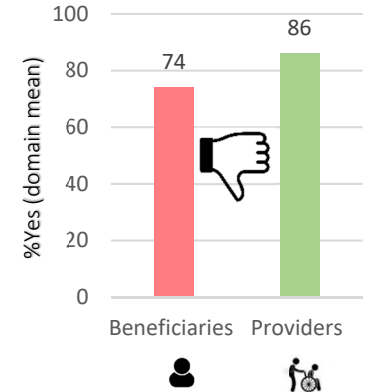

Choice and Control

Individuals can control their choices about where they receive their services, who provides their services, and how they want to spend their days, based on their own needs and preferences.

Freedom of Access

Individuals can access all areas of their home and community to the same extent that others without disabilities are able to.

 : Difference between providers and beneficiaries scores ≥ 10  : Compliance greater than 76%  : Compliance less than/equal 76%

Compared to beneficiaries, residential providers had more positive opinions about beneficiaries' experiences within all domains except one (domain mean scores).
