About the Facilitator

What qualities do you bring to your role as an Independent Facilitator?

I have first-hand experience coaching and teaching individuals with disabilities and providing peer support services. I am a Human Resources Professional with case management and counseling experience to diverse populations, more specifically families. I have assisted individuals and their families during educational, employment, and housing transitions.

Soft skills: good people knowledge, empathetic and caring individual

Why do you want to serve as an Independent Facilitator?

I feel we need to create a safe place for individuals with disabilities where they can express their needs and wishes and receive accommodation if needed. I wish to be their Advocate and Peer.

What are some skills or expertise that you have as an Independent Facilitator?

I am fluent in German, Italian, and English, beginner -intermediate understanding of Spanish.

Are you a member of any professional organizations or groups?

I work at Disability Network Lakeshore a non-profit organization that provides services to individuals with a self-diagnosed or medically diagnosed disability. I serve as the Community Education and Resource Specialist.
