

Michigan Leadership Education in
Neurodevelopmental Disabilities

Recruiting Families of Children with Disabilities

The Michigan Leadership Education in Neurodevelopmental and Related Disabilities (MI-LEND) is collaborating with the Family Center for Children and Youth with Special Health Care Needs (Family Center) to help train MI-LEND trainees to improve their ability to understand the unique needs of families who have children with disabilities.

We are seeking families within 30 minutes of the following universities:

- Central Michigan University
- Michigan State University
- University of Michigan-Ann Arbor
- Northern Michigan University
- University of Michigan-Dearborn
- Wayne State University
- Western Michigan University

Your family's knowledge and experiences will help prepare the professionals and physicians of tomorrow!

Requirements:

- Have a child/youth with a disability from 0-17 years old
- Trainees will attend two home visits with your family and one phone or Skype call

For participating, you will receive:

- A \$75.00 Gift Card for participating in all home visits and one phone or Skype call
- A confidential family quality of life assessment
- Information about resources to assist your family
- One child will receive a \$10.00 Gift Card for participating

If you are interested in participating in this valuable project contact:

Lisa Huckleberry at huckleberryl@michigan.gov or call 517-335-0407. Please give your name, address, telephone number, email address and age of your child.

For more information about the MI-LEND program, please contact:
